

## Our offer, your future.

Delta Engineering is the European market leader in factory automation for the blow moulding industry. Started as a two-man business in 1992, today the company is working with more than 100 qualified and dedicated employees.

Together we develop a wide range of innovative and efficient quality machines in close cooperation with our customers. In this way we guarantee a stable position on the market and a promising future for our company and our employees. To guarantee our further development, we are looking for a (m/f)

# Field Service Engineer

## Your devotion

- After a thorough formation, you are responsible for the installation and start-up of machines and production lines with our customers.
- You support the after sales and service department for interventions and repairs.
- The interventions are worldwide but mostly in Europe.
- You are also responsible for installing and start-up of machines in the production hall.

## Your talents

- You have at least 3 to 5 years experience as a field service engineer.
- You have a bachelor degree or similar by experience and you have a good knowledge of electronics.
- You have a positive mind and you are able to work independently as well as in a team.
- You are stress resistant and can respect deadlines.
- You have a good practical knowledge of English, French and Dutch.

## Our offer

- We promise you a challenging job in a healthy and growing company with a clear defined mission.
- The possibility to work together with an enthusiastic team, to work in a famous company recognized as a domain leader, with a clear vision of the future.
- To continuously improve your education, knowledge and experience.
- A financial compensation, proportional with your experience and contribution.
- We offer you a health insurance, hospitalisation insurance and meal tickets.

## Your future?

Then we would like to receive your application together with your CV! You can send your application by email to [hr@delta-engineering.be](mailto:hr@delta-engineering.be) or by postal service to the attention of Mr. Glenn Van Nuffel.
