

## Our offer, your future.

Delta Engineering is the European market leader in factory automation for the blow moulding industry. Started as a two-man business in 1992, today the company is working with more than 100 qualified and dedicated employees.

Together we develop a wide range of innovative and efficient quality machines in close cooperation with our customers. In this way we guarantee a stable position on the market and a promising future for our company and our employees. To guarantee our further development, we are looking for a (m/v)

# IT Engineer

## Your devotion

- You are responsible for maintaining and improving the IT infrastructure.
- You offer support for technical issues.
- You are responsible for maintaining the telephony and internet infrastructure.
- You are responsible for the daily maintenance of the user work stations and backups.
- You are responsible for the daily management of the user management.

## Your talents

- As an ICT engineer you have strong analytical mind and you can work organised with eye for detail. You are a real problem solver.
- You have a strong knowledge of PC platforms regarding hardware and software.
- You have a positive mind and you are able to work independently as well as in a team. You are stress resistant and can respect deadlines.
- You have a practical knowledge of English.

## Our offer

- We promise you a challenging job in a healthy and growing company with a clear defined mission.
- The possibility to work together with an enthusiastic team, to work in a famous company recognized as a domain leader, with a clear vision of the future.
- To continuously improve your education, knowledge and experience.
- A financial compensation, proportional with your experience and contribution.
- We offer you a health insurance, hospitalisation insurance and meal tickets.

## Your future?

Then we would like to receive your application together with your CV! You can send your application by email to [hr@delta-engineering.be](mailto:hr@delta-engineering.be) or by postal service to the attention of Mrs. Isabelle Van Gijseghem.
